KILL BILL

C-293

BILL C-293 is Totalitarian

It claims to use *“a multi-sectoral and multi-disciplinary collaborative approach that focuses on the human, animal, plant and ecosystem health and welfare interface...to prevent[...] the risk of future pandemics.”*

- * RISK AND PANDEMICS ARE NOT DEFINED.
- * It purports to govern anything, anyplace: *“...Canadian activities, domestic and abroad...”*
- * It attempts to eliminate the jurisdiction of the Constitution: *“...align approaches and address any jurisdictional challenges...”*
- * It is a perpetual Emergency Act with no threshold to enter. Only has to: *“...prevent the risk of and prepare for anything that could lead to pandemics”*
- * It requires our surveillance and owning all communication infrastructures. Nothing is defined.

**BILL C-293 is perpetual emergency governance.
It risks everything we know and love in Canada.**

Bill C-293 was voted through the House by
NDP-Liberals. It is now at the Senate.
